IN MEMORIAM

Mr. Joseph Ruane
1931-1973

In his fourteen years in Bristol Township as a teacher, coach, and administrator, Mr. Joseph Ruane made a lasting impact on many facets of our educational program.

Delhaas knew Mr. Ruane in two roles; as an assistant principal in the mid-sixties, and as its principal from 1969 to 1972.

A part of Mr. Ruane's educational philosophy was that schools were for students, and he so arranged his schedule to be readily available to individuals and groups who needed answers to questions and solutions to problems.

He pioneered the idea that membership on student action committees should not be restricted to honor students or those with outstanding citizenship records, but open to any pupil elected by students in his neighborhood that he then represented in school matters.

Mr. Ruane was one of the leaders in the drive to return Delhaas to its status as a graduating high school, and in appealing for funds to provide new band uniforms, athletic equipment and improved plant and educational facilities.

It is indeed fitting that this yearbook is dedicated to the memory of Mr. Joseph Ruane.

Frank X. O'Donnell

My first year at Roosevelt I became class president and began my acquaintance with Mr. Joseph Ruane. I remember his burr haircut and booming voice. My first impression was that he was old-fashioned and mean. He said to me, "You've made a good start for your first year," and that made me feel a little more at ease. Through class presidency and Student Council I talked to him more than the average student and began to realize he was a man dedicated to his job and always willing to go to bat for the students or the school. He had the habit of winking an eye everytime he saw me, instead of saying hello. And the only acknowledgment I had to give him was a smile. By the close of the year we were good friends, but he was to move elsewhere.

He transferred to Delhaas where his abilities were to be put to the test. Along with his new job came a new crises—black versus white. This crises, country-wide at the end of the sixties, found its way to Bristol Township. As I moved on to my first year at Delhaas, the tensions began exploding. Mr. Ruane worked hard to compromise, communicate and resolve the conflicts.

The following year was Mr. Ruane's last year. The students' attitude began to grow into Delhaas school spirit. The problems were beginning to have solutions. Delhaas became a school with pride. Mr. Ruane's job had been accomplished. Now that he is gone, I am sure he will be long remembered at Delhaas.

Mike Marchiondo

Standing: G. Roush, J. Russo, J. Mignogna. Sitting: M. Labyak, K. Horwatt, C. Cordisco. Missing: J. Ritter.

Senior Class Officers

This year the Delhaas Senior Class set out to make "Delhaas" a word people could respect. Through the efforts of Glenn Roush, John Ritter, Cindi Cordisco, and John Russo, President, Vice-President, Secretary and Treasurer respectively, the senior class at Delhaas has had one of the best years in its history.

Doing things, for what seemed the first time around, the officers tried to out do any of the surrounding schools and to make some badly needed changes. This they succeeded in doing by making plans for an unforgettable class trip and Senior Prom, the likes of which few schools have ever seen.

Of course, nothing could have been accomplished if it hadn't been for the expert guidance the officers received from their advisors, Mrs. K. Horwatt, Miss M. Labyak and Mr. J. Mignona. Also, through the guidance and administrations offices at Delhaas, the officers received much appreciated help.

The students have contributed much to the rebuilding of Delhaas as a four year high school. Their involvement in extra-curricular activities is the major reason for the success of Delhaas this past year.

"The Temptations"

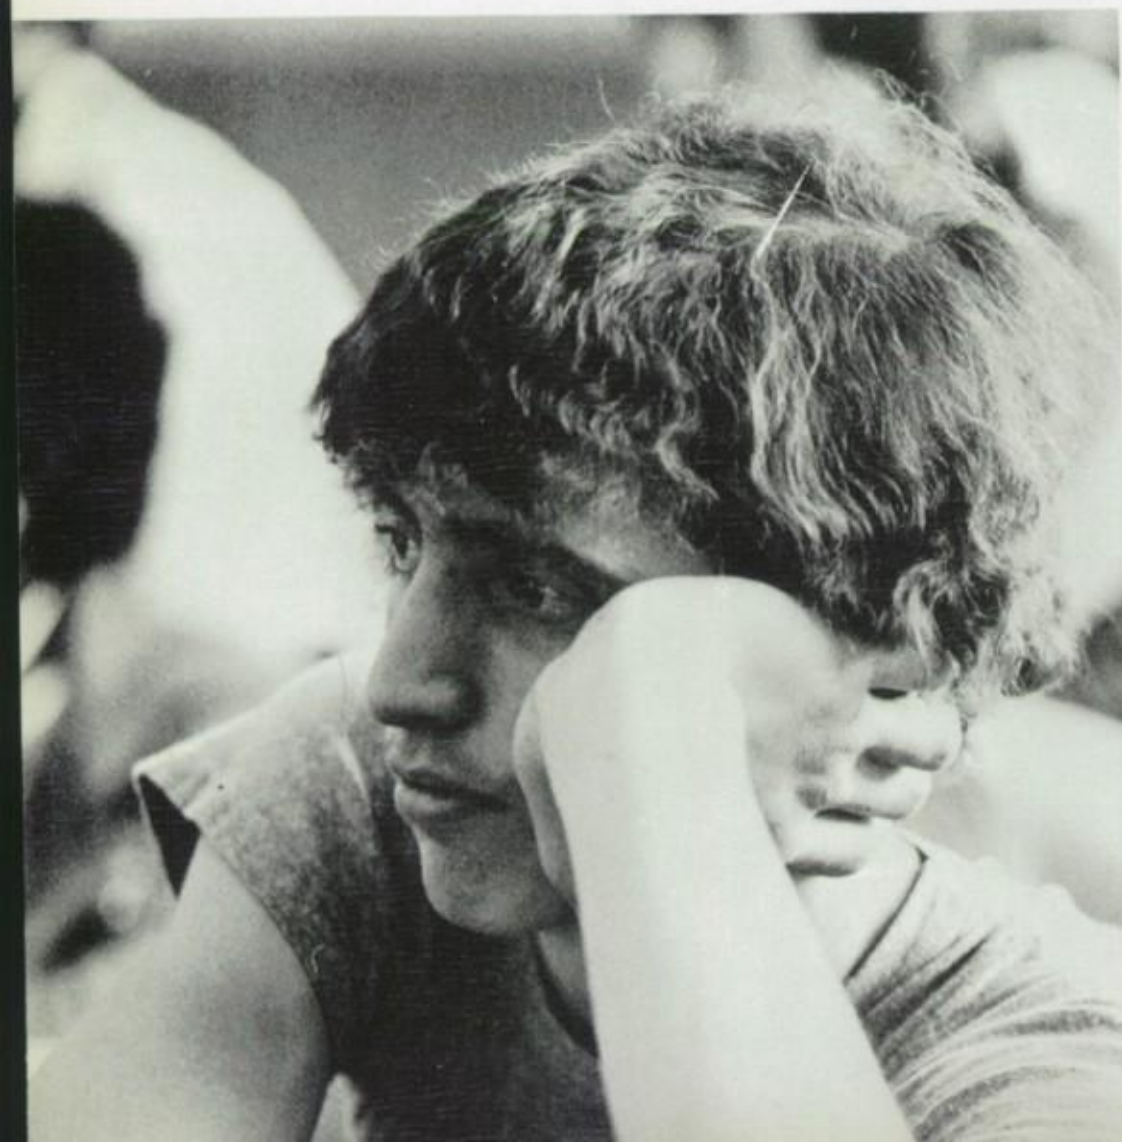

Junior Class Officers

The junior class of '75 has many plans for the 1974 school year. The basic goal is to make this year the best possible and to arouse school spirit. The Clash of the Classes and the first activity night of 1974 were very successful in terms of class participation and in preparation for the big Wilson—Delhaas game. The Junior class trip at Mount Airy Ski Lodge and the Junior Prom at the Knights of Columbus Lodge are the two major activities of the school year. Concerts are planned for the future to help make this year even more fantastic. The money made from all these activities will go towards making next year, our senior year, the best year Delhaas ever had !!

D. Boster, advisor, K. Reckus, B. Newman, P. Bancroft, M. Neidig, L. Norse, advisor.

Sophomore and Freshman Officers

SOPHOMORE OFFICERS—M. Kehler—President, P. Chaump—Advisor, J. Jordan—Vice President, D. Patterson—Treasurer.

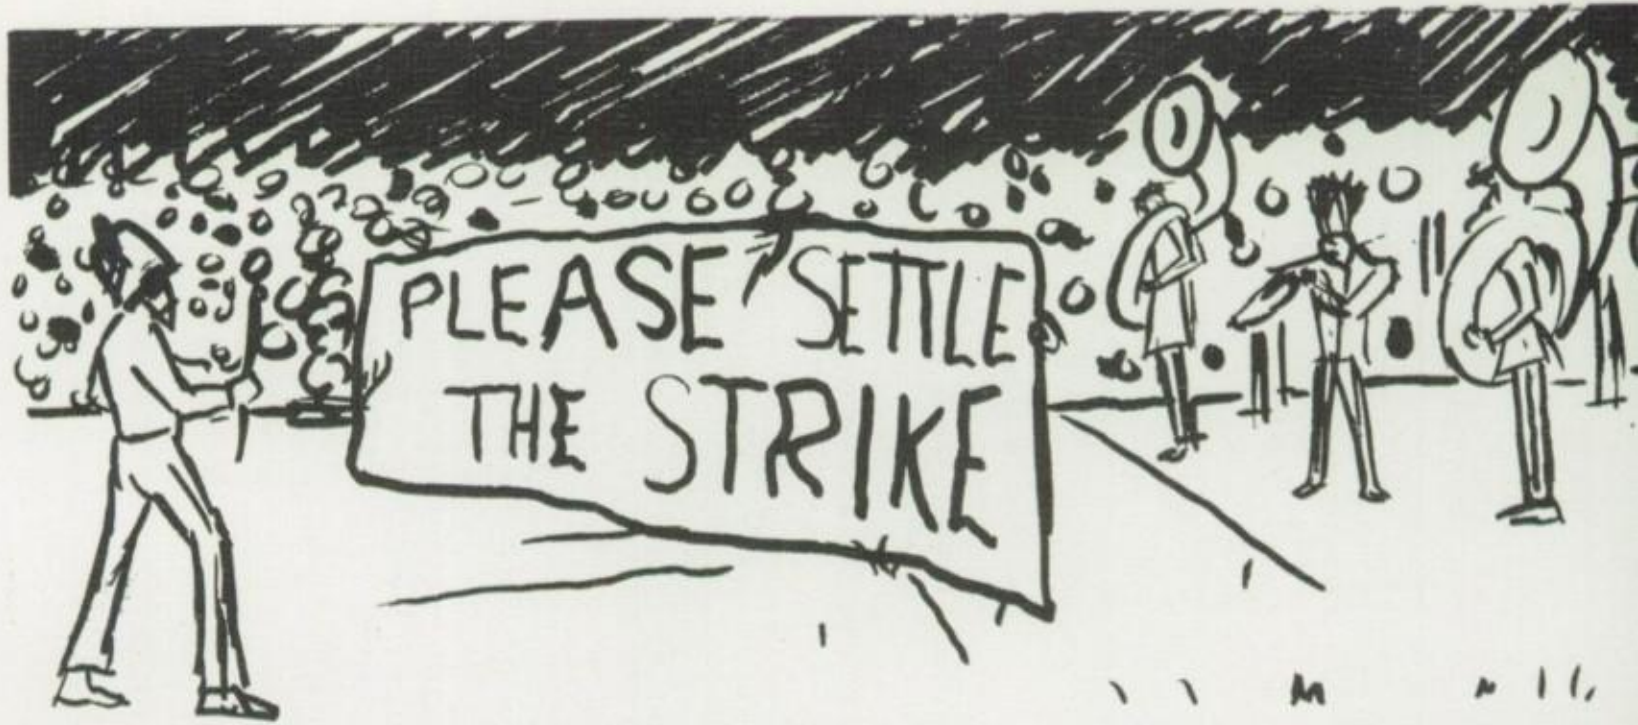

The class of '76 is coming! At our first school activity the sophomore class showed great spirit and enthusiasm. Some of the activities planned for the upcoming year are an ice skating party at Grundy's, a spring picnic in the courtyard, and a spring formal. Hopefully with our growing class treasury, we will have a class trip never to be forgotten.

FRESHMEN OFFICERS—T. Emery—Secretary, E. Flunt—Treasurer, V. Gardner—President, (not pictured D. Losch—Vice President).

The freshman class began 1974 with a surprise victory in the "Clash of the Classes" which was held in January prior to the Delhaas-Wilson basketball game. The officers and the freshman social committee have attempted to plan several varying activities for 1974. These include a spring dance, activity night, a movie and a class trip.

Strike!

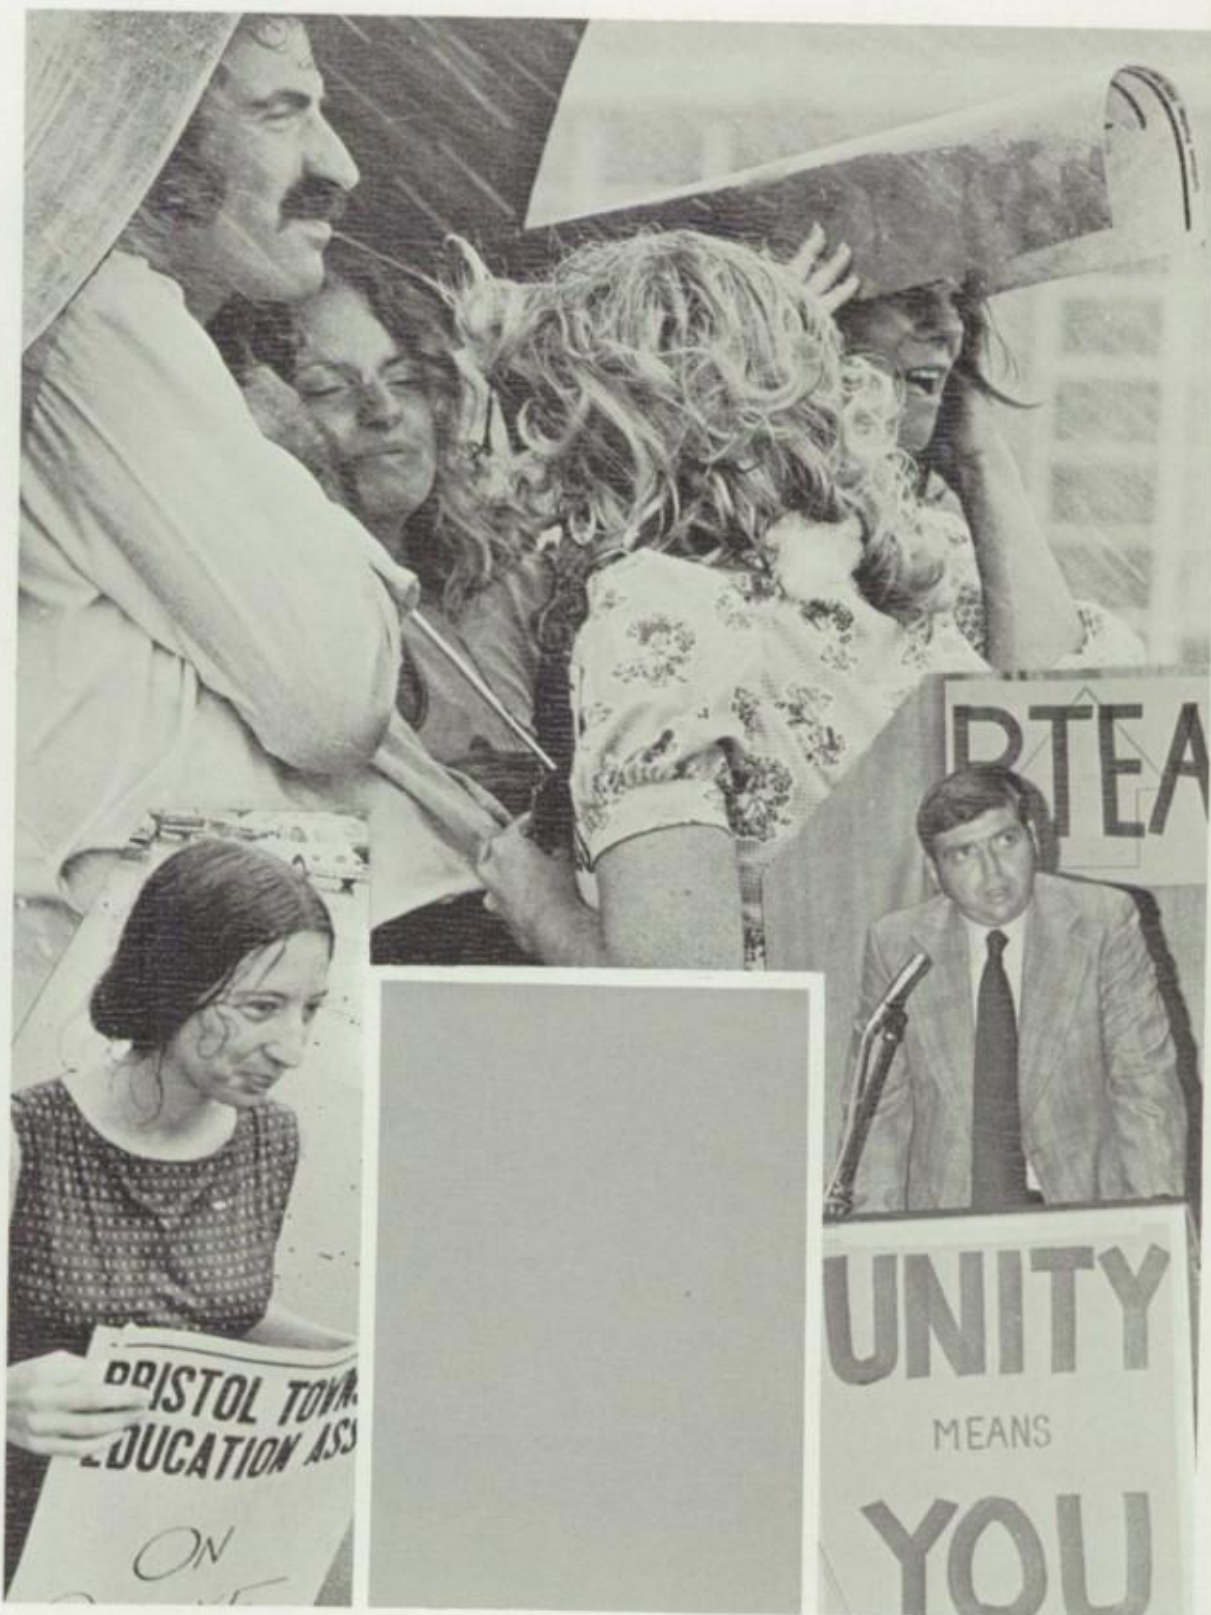

A MIND IS A "TERIBULL"
THING TO WASTE

The teachers' strike—inevitably part of our senior year—we kept hoping it wouldn't happen. In our junior year we were apprehensive; we knew what a strike meant, our sophomore year had started with one. For six long weeks the strike dragged on.

School was a surrealistic dream . . . the quiet halls, only one class in the building at one time, students wandering in and out, the empty buses at the end of the day.

We learned some new words—*viable*, *managerial rights*, *injunction*. For some of us there was real learning with top curriculum coordinators, time well spent. For others, there was frustration with substitutes totally unfamiliar with books and courses. Still others took an activist role and formed their own picket lines. Student leadership surfaced and took hold. The band practiced and developed new routines. Cheerleaders cheered and painted signs. Teams practiced and won. Senior committees met and planned. Whether we agreed or disagreed with the strike, this was the good that came from it.

Finally, October 19, it was over.

Football

IMPRESSIONS

The impressions of a football team and its season cannot be fully described by just one member. As a result I've asked a few players who played and a few from the special teams. Brian Hancock—"I feel we had an impressive season, but at the same time disappointing to the degree of not having as many wins as we should have had." Frank Hamilton—"It was great, we (the team) put Delhaas on the map, brought respect to Bristol Township. We made ourself known as a football team on the field and off, especially during the strike." Vic Cortes—"We had in my opinion the best defense in Lower Bucks, both against the rush and the pass, who knows with a few breaks we might have been the Pennsbury of Lower Bucks. But all in all I feel that our team's togetherness during the strike really showed the character of all of our guys throughout the season." Ray Whitefield—"My experiences with this year's team makes me hungry for next year when we'll be bigger and better than this year's team. Then the Pennbury's and Council Rock's had better be ready to receive a lesson in football. I hope next year we get better ref's. I know I'll be ready." Bob Busby—"I feel this past year's team won't be forgotten, because we had a certain type of pride which never let us quit. My experiences with this year's team have made me hungry to get on the field and produce." Here are a few comments from members of this year's team which seems to have meant a lot to all of us, and those who followed us. You must admit it's been the most exciting season so far.

Hancock, J. Heston, B. Beswick, M. Berko, V. Cortez, R. Ferraro, J. Mickle, Coach Boster.

The 1973 football season will always be the most memorable year of high school coaching for me. Down through the years, I have been associated with many outstanding young men that have faced challenges ahead of them and have met these challenges. The 1973 football team had perhaps the greatest challenge of all the previous teams I have coached.

This season we were faced with playing teams in Section 1 of Lower Bucks County. Our schedule was very difficult for a team with one year's experience.

The teacher strike hit for eight full games and our players were able to maintain respectability. This respectability was accomplished because of their dedication, discipline, and their will to excel for our school. Many teams would have "folded" and taken the easy way; our team faced the challenge and beat the challenge.

As their coach, I will always be proud to say that I had the opportunity to coach the 1973 Delhaas Football Team.

Delhaas Soccer

The Delhaas soccer team enjoyed its finest season this year despite the teachers strike. The entire varsity squad returned to combine experience and skill on their way to an 8-5-3 league record. The team consistently stuck together, undaunted by such setbacks as coaching problems, tough losses to Pennsbury and Neshaminy and discouraging ties with an obviously inferior Holy Ghost team. Playing together as a complete unit the Tigers rose up to sweep Council Rock, New Hope and Bensalem in their two game series. The Tigers ended in third place out of the eight team league.

The Delhaas hockey team had a very fine season this year. The team improved over last year and ended the season with a 2-3-5 league record. All the losses were tough battles but the team only lost by one or two points. We would like to thank Miss Robinson for all her help during the strike and also at the hockey camp. Even though we didn't end in the top rank, we had a very fine record for only our second season.

Linda Fabbro

Winter Track

Back row l. to r.: Coach Saunder, S. Laylan, M. Drogalas, R. Freil, T. Aucket, A. Alston, P. Schleiker, J. Russo, J. McCullough, J. Heston, J. Hager, J. Banks. First row l. to r.: S. Alston, B. Kalman, D. McCann, K. Gordon, G. Hillgan, T. Petroski, T. Ward, C. Altamari, T. Shire.

Co-captains R. Freil, T. Ward.

Back row l. to r.: D. Knepper, Y. Wald, J. Rigby, T. Whalen, S. McCullough, M. Kanuck, C. Mauser. Front row l. to r.: S. Lynn, F. Yeager, M. Litostansky.

The Delhaas Winter Track Team has had a fine season thus far. In the Association Meets we have won 5 bronze medals. In the Arch Bishop Ryan Invitationals we have come away with 15 medals. At the Bensalem Invitationals we crossed the line with 9 more medals. The Winter Track Team has also competed among neighboring schools, and has done very well. We still have two more meets before the season is through and expect to win more medals to add to the collection. All in all the track team has had a fine season this year.

Cross Country

Back: John Headley, R. Klein, D. Lufkin, J. Hager. Front: B. Wachtendorf, T. Petrosky, M. Litostandky, T. Ward.

The 1973 Cross Country team posted one of the finest records ever for a Bristol Township team winning nine and losing three.

With five sophomores and one junior running in the top six, Delhaas was competitive with every team in the league. Neshaminy, Pennsbury and Council Rock were the only teams to defeat the Tigers during the season. Later in the league championships Delhaas avenged its earlier defeat to Council Rock, defeating the Indians by one point and qualifying for the seeded race in the District One competition.

Junior Joel Hager and sophomore Chris Altimari co-captained the team and Chris received the award for Most Valuable Runner. There was no true ranking achieved on the team, at various times all runners ran in the top five and scored for the Tigers. Tim Petrosky and John Headley had outstanding first seasons earning varsity letters. Tom Ward and Mike Litostansky repeated as mainstays and contributed valuable points in the County Championships. Dan Lufkin and Bruce Wachtendorf competed on the Junior Varsity for Delhaas and will be expected to move up next year.

TIGER WRESTLING

The Tiger Wrestling Team completed a very successful dual meet season this past winter. They won eight matches while losing only five.

Over the Christmas holidays the Tigers competed in the Lewistown Invitational Tournament where they had seven wrestlers place. They were: Vic Cortes—First, Doug Knoblauch—Second, Brad Morgan—Third, Carl Morgan—Third, Len Gibson—Third, Brian Hancock—Third, Joe Incollingo—Third.

The Tigers were led by Co-Captains Brain Hancock, Joe Scherch, Joe Incollingo, and Tom Knoblauch. Their leadership and dedication was the reason the Tigers' enjoyed such a successful year.

Several sophomores stoodout as serious contenders for state titles in the future. They are Brad Morgan (I2-3) and Doug Knoblauch (II-4). Some other sophomores who are fast improving are Rich Boggi and Joe Mariano. It is a considerable accomplishment just to wrestle varsity as a sophomore. Especially considering the competition Delhaas wrestles.

Seniors having a fine season were Vic Cortes (I2-3), Brian Hancock (II-6), and Joe Scherch (8-7-I). Victor has been almost unbelievable on the mats this year with four pins under a minute and several in a little over a minute. Brian Hancock is by far the most improved wrestler on the team. Both Brian and Vic have only wrestled one year previous to this season.

Juniors Carl Morgan, Barry Desko, Joe Incollingo, and Len Gibson have also performed well. Carl and Joe are our winningest wrestlers from last year and both continued to terrorize the mats this year. Carl has won over twenty-six matches in two years while Joe has won twenty-three. Barry Desko is fast improving, and with continued hard work he can become one of Delhaas' best.

As the Coach of the Tigers I am pleased and tremendously proud of all the boys. Their dedication and desire over a long and gruelling season left little to be desired. I am proud to have worked with these fine young men.

School Board

Pres. Wright and Superintendent Dailey confer.

Student Involvement Committee

Making their concerns known to the school board . . . this is the Student Involvement Committee. School board members taking time out to meet with students concerning Delhaas' problems . . . this is the involvement committee.

School board members become "people" when students get to know them. At the same time, board members begin to see beyond long hair and jeans to the accomplishments and aspirations of students.

For two years this unique committee has been meeting to bring better understanding of each group's mutual problems. The group meets during the school day with Mrs. Bell and Mr. Carter of the school board, Superintendent Dailey and Mr. O'Donnell. The students are Joann Balasz, Peggy Bancroft, Cindy Cordisco, Cathy DeSerio, Lorenzo Henderson, Vince Henderson, Donna Knepper, Marillee Kehler, Dave Long, Mike Marchiondo, Monica Miller, Beth Newman, Robyn Noll, John Ritter, Glenn Roush, Mike Ryan, Diane Sweeney and Bev White.

Administration

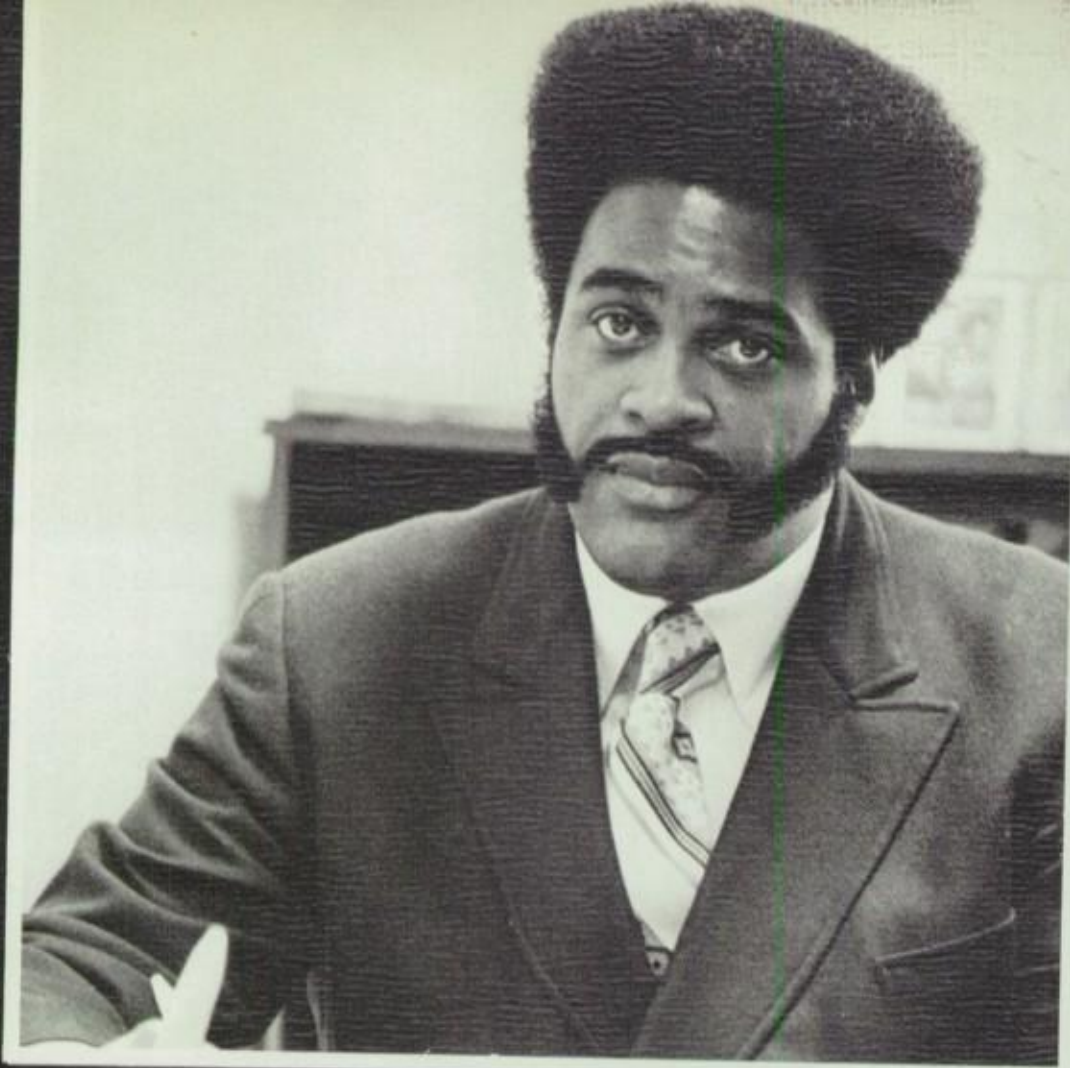

The outstanding leadership and spirit shown by the "Class of '74" in returning Delhaas to its rightful place as a Bristol Township graduating high school will be an example for all succeeding classes to emulate.

In four years here you have been faced with many difficult situations of an interpersonal nature and have found solutions to most of them. Learning to cope with these kind of problems will serve you well in all of your future endeavors.

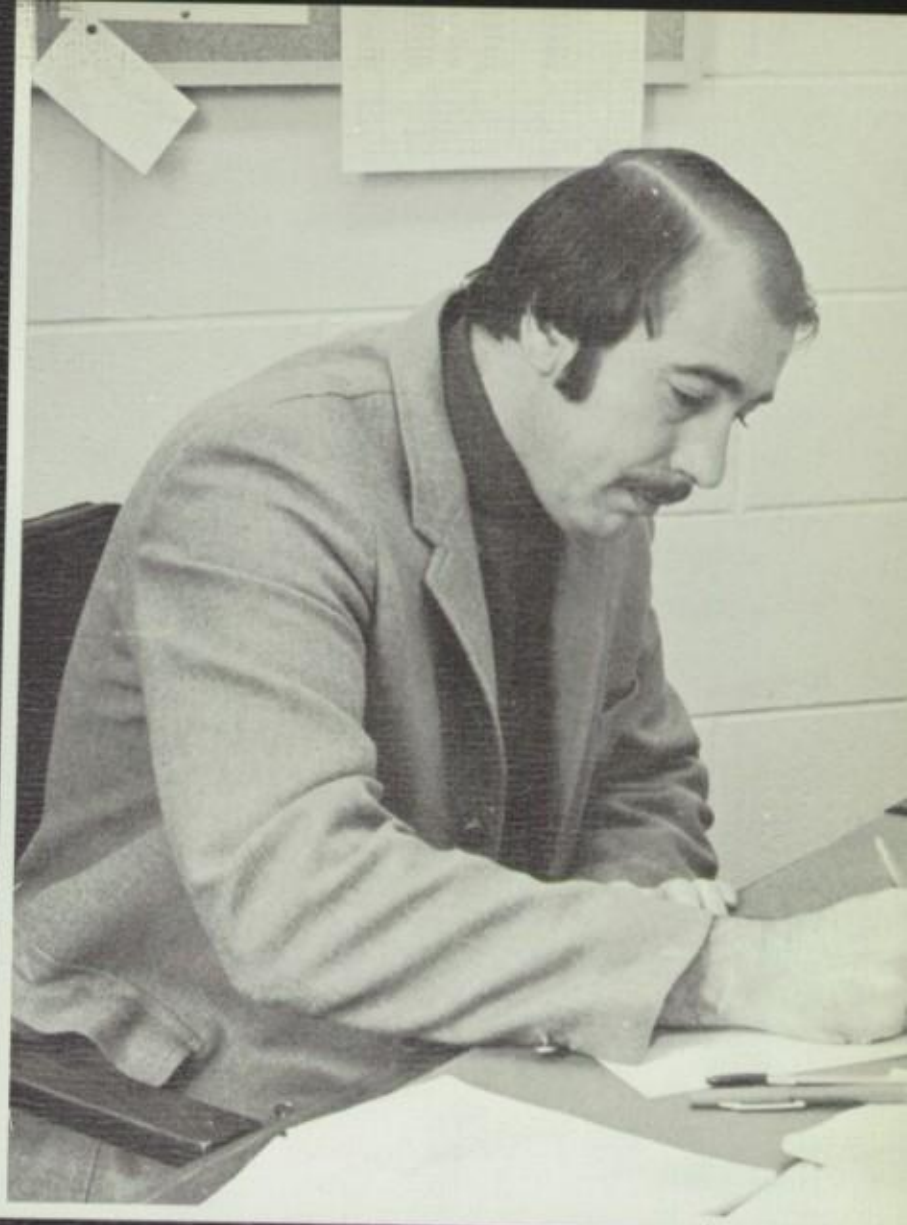

We the faculty and administration of Delhaas High School trust that some of us in some small way have been helpful to you in your high school year.

Let me wish all of you every success in the years ahead.

As a senior high school department your English teachers have worked toward the goals of preparation for life and self-realization. For young people who face a world of rapidly changing values and immense challenges in all areas of life. We have responded by teaching not only the most needed communicative skills but also, a humane outlook toward your own lives and your society.

To work in this direction we have created many new courses. Excitement and expectation motivate us all, teacher and student alike. For some it has been the senior humanities program that includes elements of art, music, and philosophy. For others it has been the elective programs of musical theater, broadcasting, creative writing, film study, Afro-American literature, journalism, or songs and poetry.

We realize that there is much to be done to modify our programs so they meet to an even higher degree, the needs and interests of our students and our community. In creating this encouraging atmosphere the class of 1974 has played no small role. We wish them the very best and thank them for assisting with a successful launching.

S. Ewing, Penn State, B.S.

This year's Social Studies department has renovated its curriculum to meet the expanded needs of a senior high school. It has especially concerned itself with the Social Sciences. We offer courses in Sociology, Psychology, Foreign Affairs, Current American History, Consumer Economic, Current Events and World Cultures. These types of programs create a movement away from chronological history and rote memorization, to a more flexible inquiry-approach encouraging more original thought on the part of students. The primary aim is to develop in the student an awareness of their own culture and the consequences of their interaction with it.

This change of direction, in terms of curriculum and student motivation provides the student with a greater opportunity for educational success.

This is the first year, since 1965, that all science offerings are once more available at Delhaas High School. The science program makes available to every student the opportunity to participate in science activities. For the first and second year student courses are mandated by district policy. The offerings made available to junior and senior students are elective. To help students make their science selections, counseling is provided that takes into consideration a students ability, interests, goals, and needs.

"Mathematics possesses not only truth, but supreme beauty, a beauty cold and austere, like that of a sculpture, without appeal to any part of our weaker nature, sublimely pure, and capable of a stern perfection such as only the greatest art can show."

—Bettrand Russell

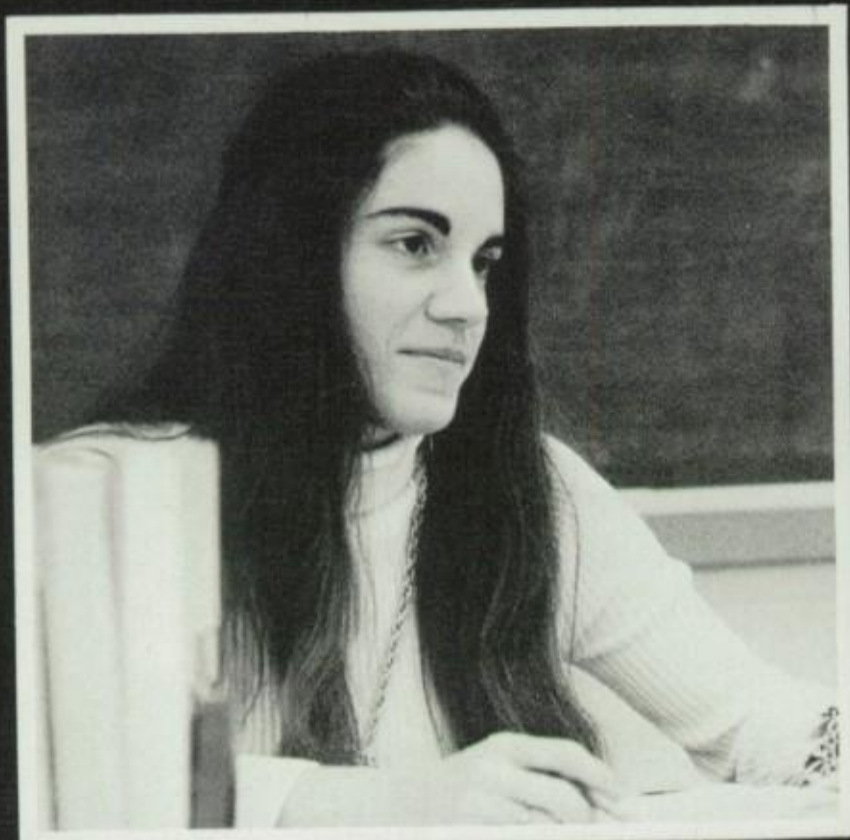

Though the subject may be cold and austere the members of our mathematics department are warm and feeling. They want most for the students to be able to have the right answer and then everything will be nice and you can look out the window and see the blue sky, however, should the answer be wrong you will have to start all over and try again—but not without help for the mathematics teachers are always there to help when you need it.

M. Intelisano, Indiana U. B.S., Penn State U. M.A.

The health and physical education curriculum at Delhaas has undergone a complete change. It has moved from a traditional P.E. program to an entirely elective type program. The students elect the activity they wish to participate in during a four week period. A variety of activities are offered during each four week period. In addition to the traditional activities offered in a physical education program, lacrosse, yoga, slimnastics, fencing, hunting and fishing and floor hockey are added. The health program is also selected on an elective basis. The physical education and health classes are all co-educational. Community facilities are being utilized where possible. The bowling lanes are used now, and in the spring the golfers will have a golf course at their disposal. In the future it is hoped other community facilities will be made available to the physical education and health programs.

Chorus

Despite a late start, the annual Christmas concert, under the new chorus director Ms. Apple, was given December 19 to an enthusiastic audience. The next week the chorus went to the Medcenter. The New Year brought the need for preparing the spring concert and representation in county and district choruses. Many chorus members took lead roles in the production "Oklahoma".

CHORUS—Reclining: M. Apple. Top row: G. Lang, L. Emsley, D. Moskovitz, C. Castles, L. Mathews, R. Tusone, F. Supplee, P. Pisanik, A. Matskow, B. Root. 2nd row: J. Gammel, B. Jacobs, E. Rogers, R. Last year the Tiger Marching Band performed during only one football game, and paraded in a marching band competition in Baltimore, Maryland. We also participated in the Christmas, Variety, and Spring Festival Programs.

This year the "all new" Tiger Marching Band, under the leadership of student directors, performed during all Delhaas Football games. At the season's completion, by invitation, the band performed at Trenton State College. Having gained a reputation, we were invited to the Apple Blossum Festival in Winchester, Virginia on May 3, 4, and fifth.

Our Stage Band, comprised of the most advanced musicians, traveled to Berkely, Mass. to attend the Berkely Jazz Festival.

This has unquestionably been a most successful as well as exciting and challenging year. Our special thanks goes out to Mr. William Long, for having had the confidence in us as well as respect for us throughout a trying and difficult year.

We have all profited immensely from our experience.

Studio Band

Forensics

Top l. to r.: B. Weingardt, D. Moskovitz, H.S. Ewing, M. Datskow, (advisors), M. Kalman, M. Stavitz. Bottom l. to r.: R. Haywood, C. Haywood, N. D'Angelo, T. Martin, A. Leshinsky, not pictured M. Cadow, L. Emsley. OFFICERS OF DEBATE AND FORENSICS—Pres.: M. Kalman, V.P.: B. Weingardt, Sec.: D. Moskovitz.

Debate and forensics—names that have been heard many times this year, yet few people actually know the difference between the two activities. Debate is a very structured form of argumentation. During a debate two, two-man teams, one affirmative and one negative, present different well researched views on a given topic. The two teams have opportunities to question each other and a judge decides if the win goes to the affirmative or to the negative, based on the information presented.

Forensics is public speaking. It includes prose and poetry readings, informative and persuasive speeches, interpretations of drama, and extemporaneous speaking.

Delhaas's involvement in debate and forensics began four years ago when one Delhaas student was a member of the combined Wilson-Delhaas forensic team. Three years ago Delhaas contributed five members. Finally, last year, we came through as the Delhaas forensic team. A debate team was beginning to come alive last year, but not until this year did we have a fully developed debate and forensic team. At a Pennsbury speech tournament this year, Delhaas's newly formed team placed ninth out of thirty-two schools. Meanwhile, in debate, Delhaas proved this year that we are not only a school to be reckoned with, but a school to respect.

Debate and Chess

NJROTC is defined as the Naval Junior Reserve Officers' Training Corps; a Naval Science curriculum which may be studied by high school students on a volunteer basis. It can also be a very rewarding and interesting experience as a Cadet in the Naval Science classroom, visiting a naval installation or aboard a navy ship underway.

The two main objectives of the program are to teach character development and to provide leadership training. The courses that are studied by each cadet include Naval history, Seamanship, Firefighting, Damage Control, Leadership, Oceanography, Navigation, Piloting, Astronomy, Meteorology and Electronics. Most of the subjects are taught by training films and the concept of programmed instruction.

Completion of the three year curriculum has many advantages; a person can gain much practical knowledge from the versatility of the courses. Also, if the cadet elects to serve in the Armed Forces, he may enlist at an advanced grade of E-3, or follow a course of study at college leading to a commission as an officer in the armed forces. Third, the person will gain a deeper understanding of the military in a democratic society and develop the self-reliance and self-discipline of the NJROTC cadet who has been imbued with the highest ideals of honor, duty and country.

K. Wolf, S. Alexander, T. Raab

Ms. M. Labyak discusses Brenda Sharp's Christmas gingerbread house.

Mathletes

What are the Mathletes? . . . a question that many people ask. Mathletes is just what it sounds like "math-letes", something like athletes, only we exercise our minds doing math problems instead of our bodies doing pushups. Each Monday night for eight weeks five of us travel to different schools and solve five problems competing with other schools. With five people doing five problems for eight meets, there is a possible total of two hundred points. At the end of the season the winner is announced.

Being a member of the five, I felt proud to be part of the group. Many times my mind went blank with problems consisting of algebra, geometry and calculus. A local joke among mathletes is—if you don't have the answer, try "one" or "zero"—I've made a few points following that theory. This year we made a total of thirty-nine points. As far as winning goes, we didn't, but we had fun and did a lot of learning.

Sample problem: The lengths of the perpendiculars from a point "P" to the sides of an equilateral triangle are respectively 1,2,3. Find the perimeter of the triangle.

Try tackling this one.

Jeannine Firsching

M. Kalman, M. Roth, P. Plummer, J. Firsching, J. Rutledge, R. McCarter, J. Gamel, Mr. R. Roth, Advisor.

Mel Roth contemplating triangles.

Mathletes breeds hunger.

School Store

K. Shivy, C. Buck, E. Rush

Our student store grew from a hole in the wall in B corridor when the Class of 74 were sophomores. Today we have an attractive store opposite the main office.

In retrospect, what has been done at the store? The cheerful smiling faces of Candy, Eunice, Kay and Andrea have greeted an average one hundred students each morning. We not only took care of the student's school supply needs, but we have sponsored various activities. We sold refreshments at indoor sporting events and sold the tickets for these events.

The idea of the store is to give the girls an idea of what retail business is really like. Their responsibilities not only included taking care of the register, but ordering everything for the store.

Proprietor—S. Rosenberg

"Dark of the Moon"

A witch boy from the mountain came
A pinin' to be human,
Fer he had seen the fairest gal . . .
A gal named Barbara Allen

Oh Barbara will you marry me
And will you leave me never?
Oh yes, my love, I'll marry you,
And live with you forever.

Drama Club

The Drama Club took their production, "Mama As She Became, Not as She Was" to Bucks County Community College and won a second place trophy and a chance to go on to the regional competition in March. "Sandbox" was also taken into drama competition and the club spent the spring months practicing for their major effort, "Oklahoma".

Work Experience

Mr. J. DeFranco

Mr. H. Gabora and Mr. D. McKenna confer.

Back: V. Wright, K. Knudsen, M. Gring, L. Miller, L. Zaya, S. Bailey, J. Bailey, J. Russel, P. Stewart. Front: C. Root, D. Riley, V. Grosso, G. Fareno, J. Betker.

Back: C. Bowen, B. Munn, F. Kohler, H. Lehr, G. Alessandrini, J. Whiteman, A. Legates, B. Hardy, T. Sturkey. *Front:* R. Capello, H. Logue, P. Marcellino, D. DiRosa, A. Cartolaro, D. Christian.

Work Experience is, for us students, being able to be out on our own and have our own responsibilities. It shows us what the real world is like and teaches us skills and knowledge of employment.

We think it is a good idea, because we can now go to school and work all on the same day without any problems.

Being on Work Experience is a great help to many students who have money problems at home and situations where our parents cannot supply us with our needs and wants.

The Cooperative Education Program gives us a chance to experience certain jobs and helps us to find out what kind of work we enjoy and feel most successful with.

We students feel this experience is worthwhile and we also hope the program will continue. We would like to thank our coordinators, Mr. DeFranco, Mr. Gabora, Mr. McKenna, and Mr. Watkins for guiding us through our employment.

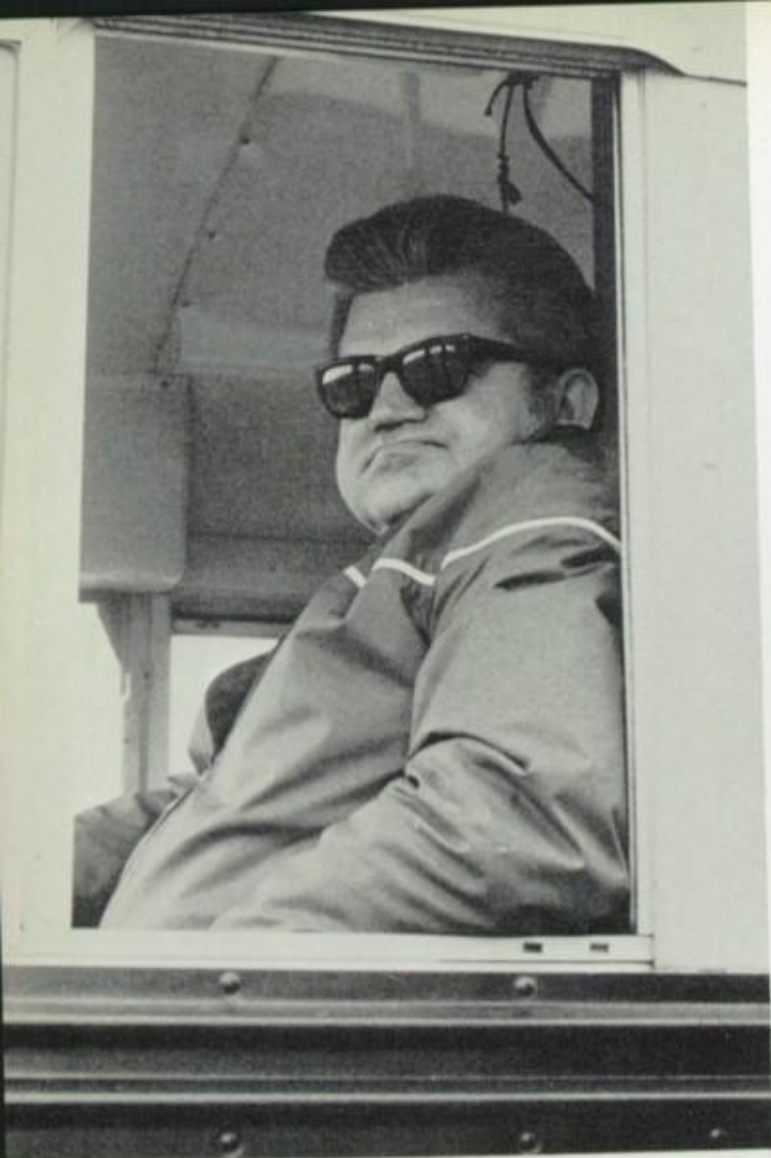

We would especially like to thank the business community for providing so many training stations.

Gail Fareno
Joanne Betker

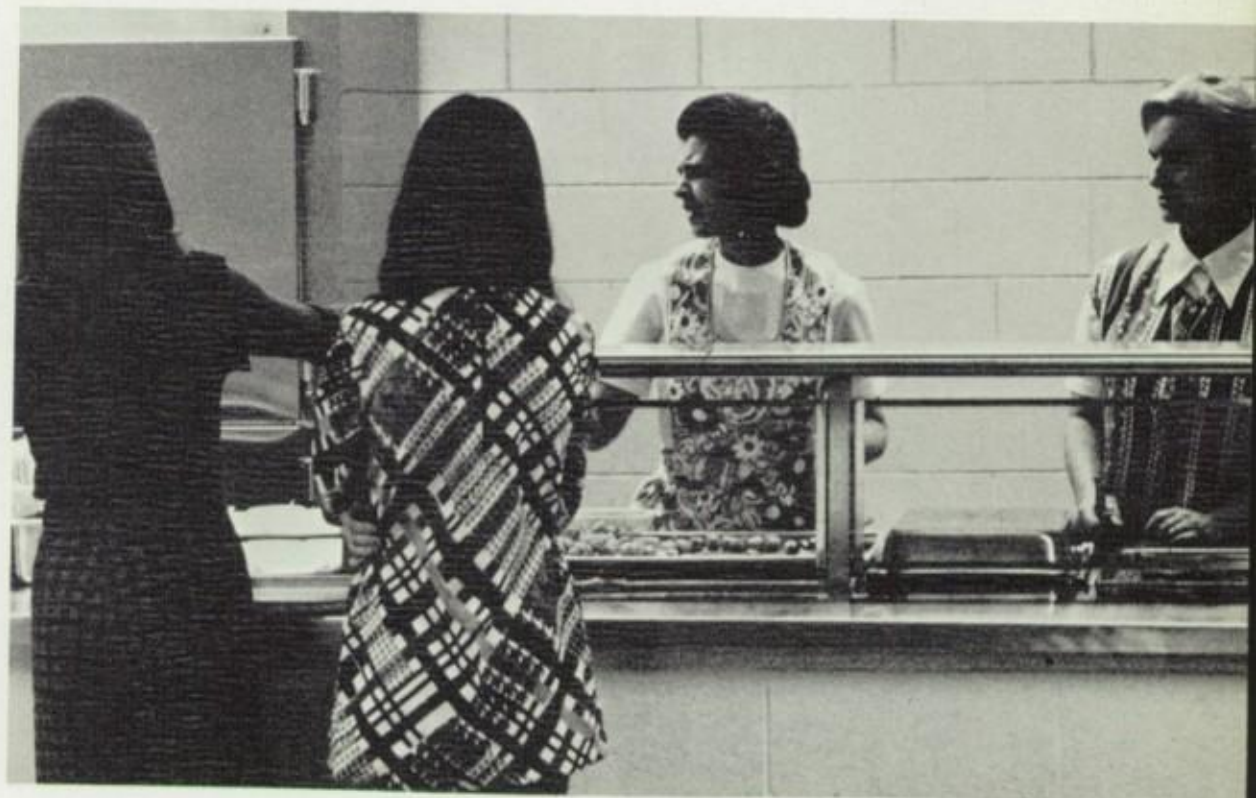

Back: F. Eberhardt, T. Frost, D. Rohrman, M. Stewart, M. Priebe, J. Byrne, M. Toth, M. Tancini, D. Artz, J. Scott, H. Zimmerman, B. Poore. *Front:* J. Ritter, L. Ruddy, J. Krider.

A CELEBRATION ...

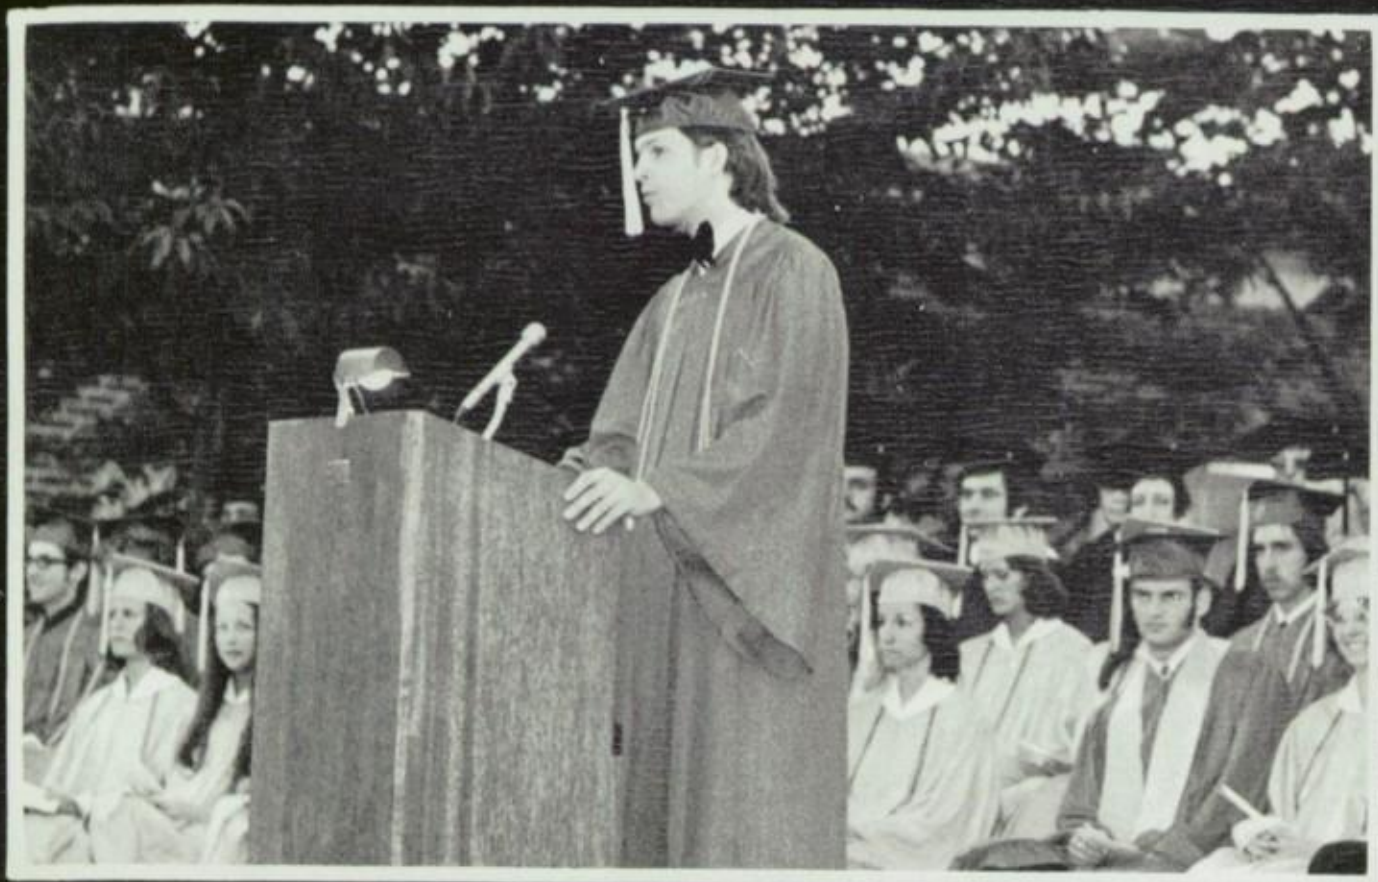

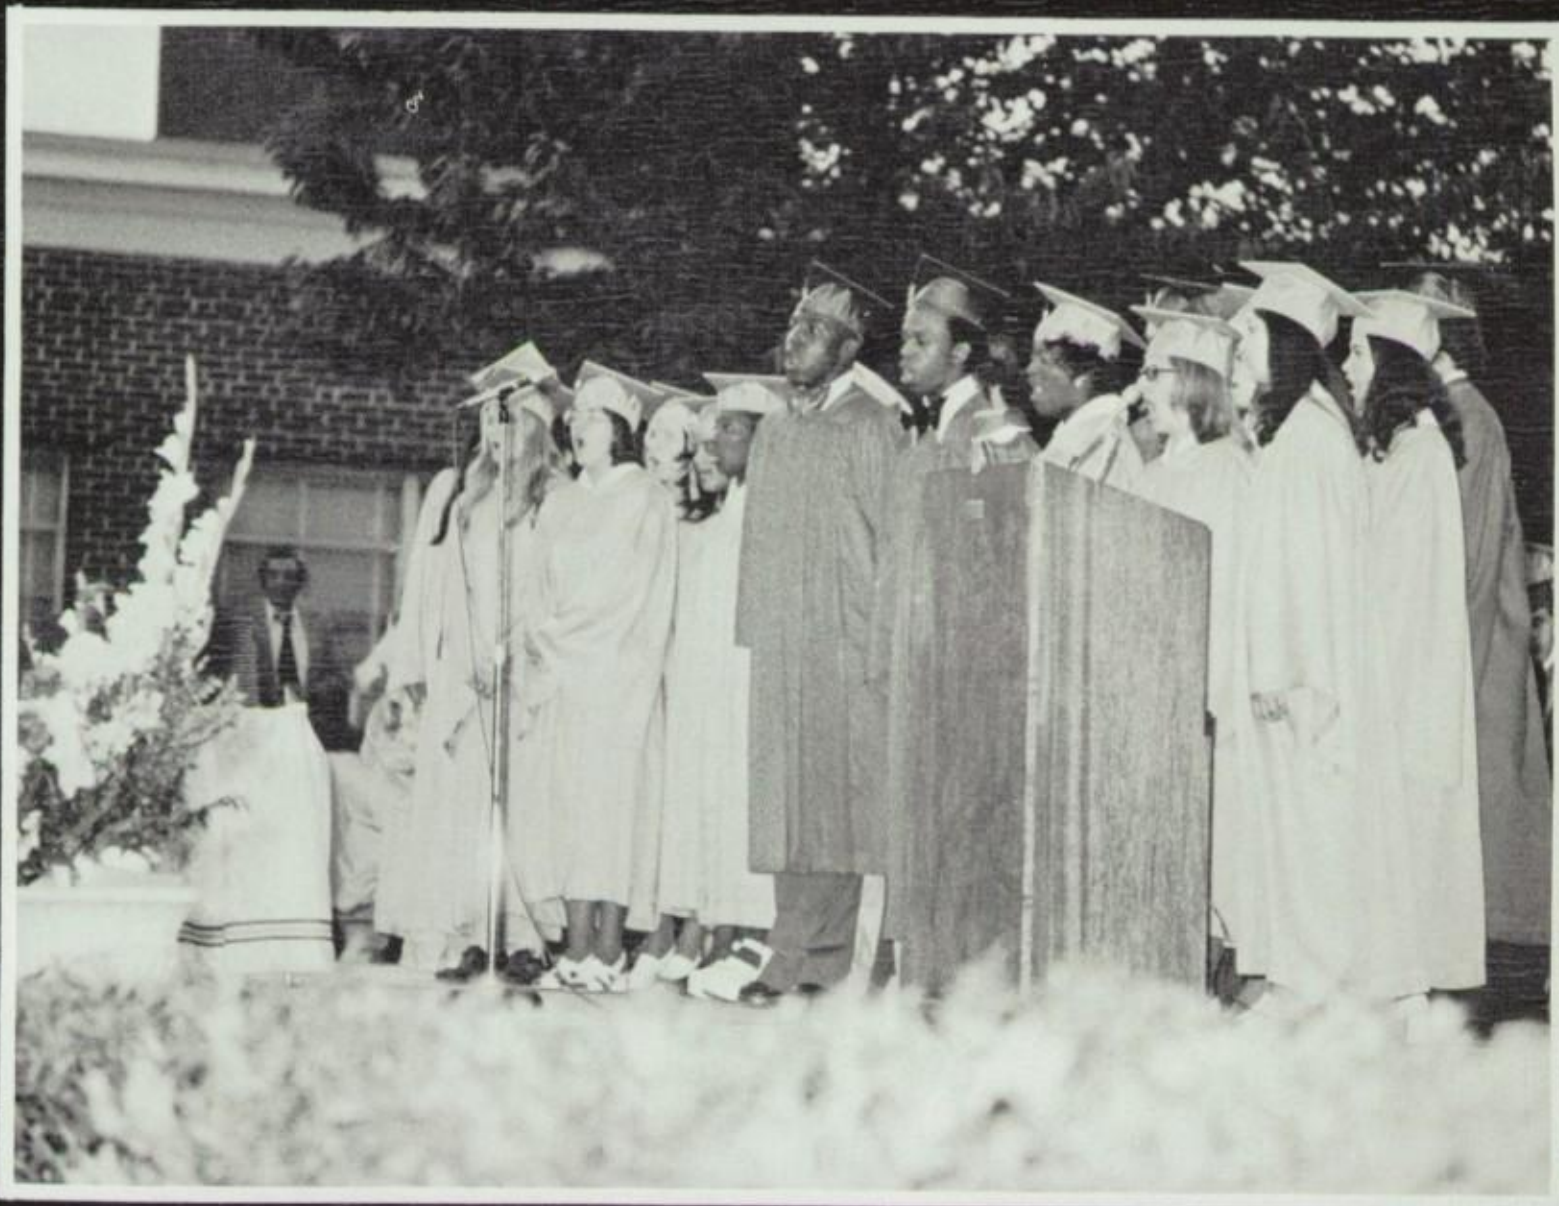

the beginning

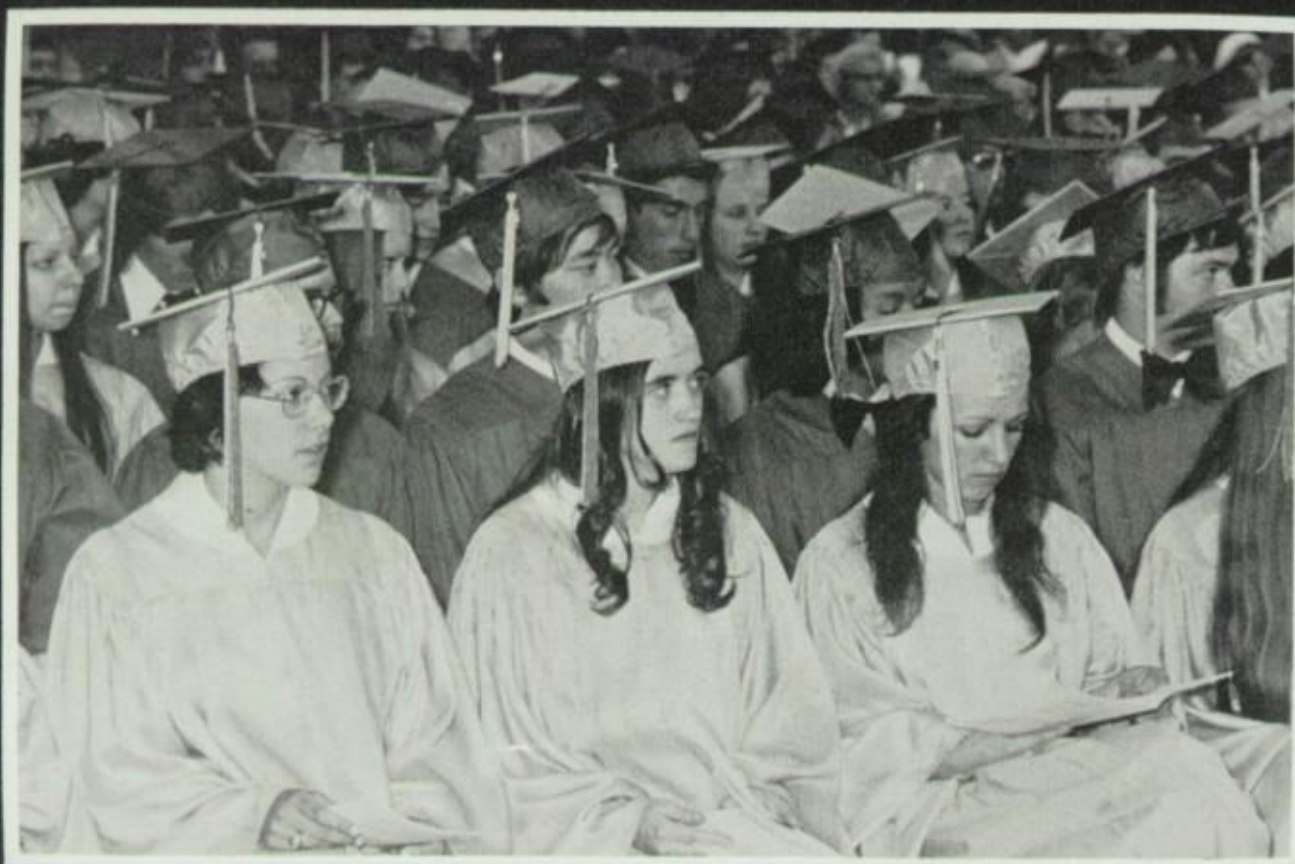

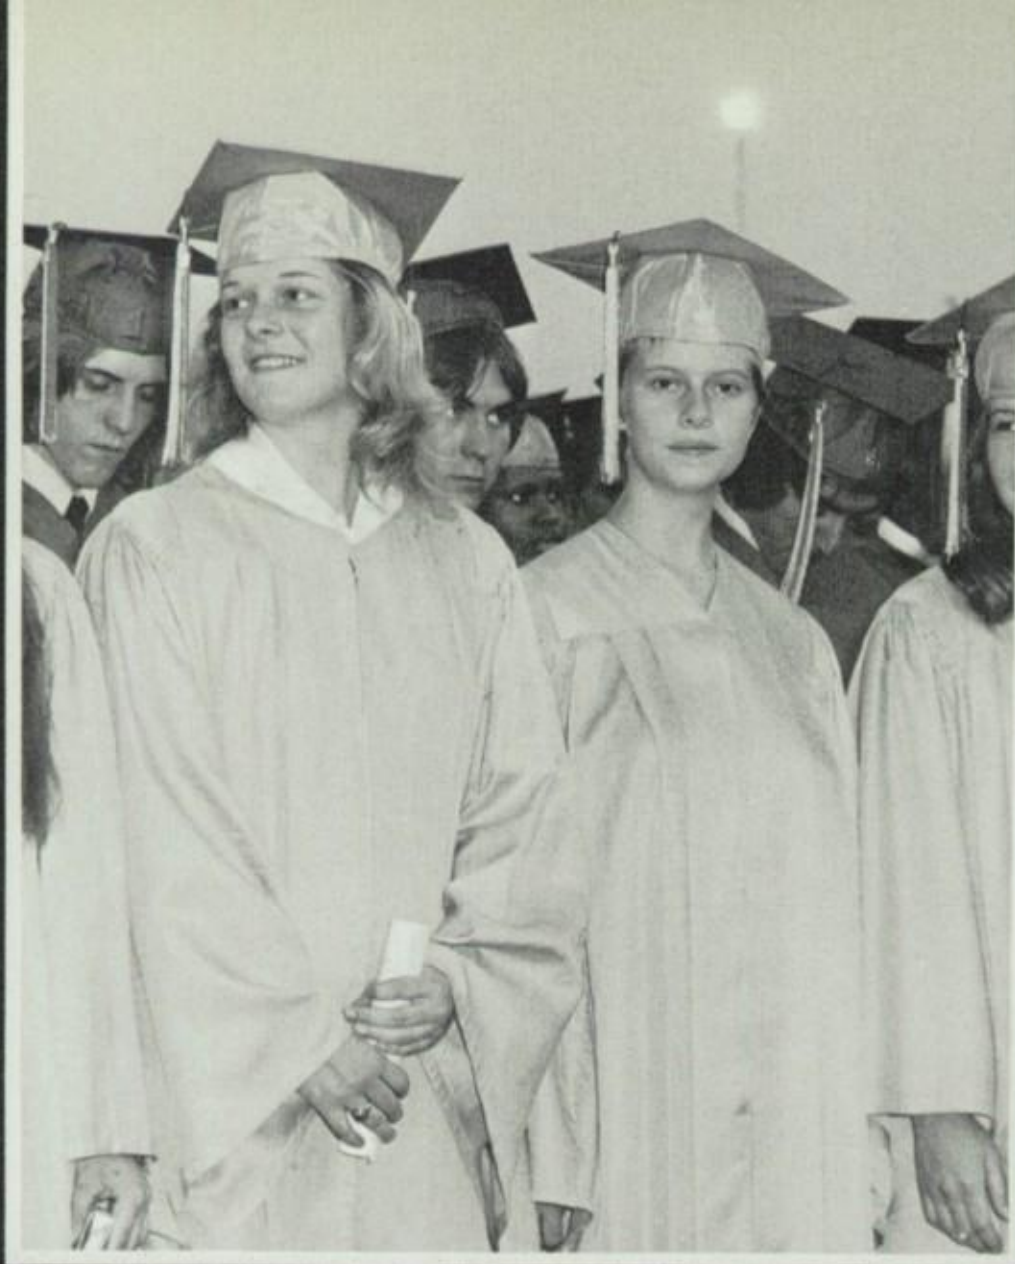

“No longer will we
be shocked . . .

... by a world which
isn't a paradise"

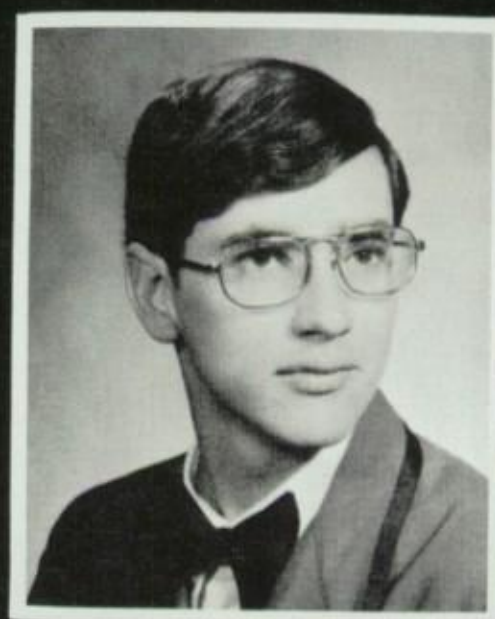

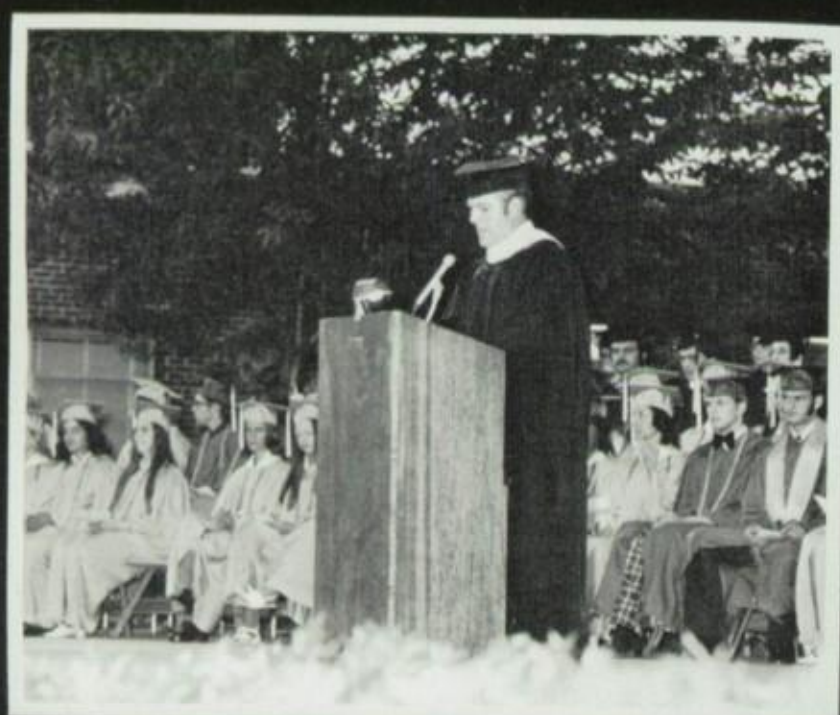

“Perhaps you have
learned something from
this year . . .

... something
you couldn't learn
from a textbook''

The Yearbook Staff apologizes and regrets the omission of *John Trindle's* picture in the senior section of the book.

John Trindle

A CELEBRATION . .

june 6, 1974

Oklahoma

I would like to welcome you to this evening's performance of *Oklahoma!*

What you will see tonight is the result of hours of work. Some of those responsible for this collective effort will be visible to you on stage. However, many will remain behind the stage scenes. I hope you will join with me in applause for all those who have devoted their energies in the production of *Oklahoma!*

Softball

The girls' softball team is led by captains Cindy Heath and Linda Fabbro. The softball team completed a league winning season with a record of 9 wins and 2 losses. They clinched the Bucks County Division title. Five girls from Delhaas made the Bucks County Courier Times Bucks Division team. The girls are Debbie Hager and Linda Fabbro along with All Area players Linda Ashby, Joanne Schailley, and Gretchen Eysenbach. Also with the team for having outstanding recognition was coach Gail DeBelle who was picked by the Courier Times as the Lower Bucks County Coach of the Year.

Track

B. Fralin and K. Gordon

The Delhaas Track Team recorded a 6-3 overall record this year. The only two league losses were to Pennsbury and Neshaminy. The team recorded 47 1/2 points in the championship meet—only two first places away from winning the league title.

Outstanding performers were sophomores Tom Ward and Mike Litostansky. Sophomores Jim Petrossky, Chris Altimari, and John Headly were mainstays on the middle distance crew. Joel Hager recorded the most points of all the distance men.

The sprint crew will be the hardest to replace. Seniors Clarence Taylor, Ken Gordon, and Baron Fralin have all been lost with graduation. Bruce Wynia and Lorenzo Henderson will try to spell these seniors next year. Only seven seniors were lost out of 24 lettermen.

C. Taylor

Top row: B. Fralin, C. Taylor, B. Kalman, M. Drogalis, R. Littleton, R. Friel, J. Widman, C. Altimari. Middle row: Coach W. Katz, B. Allen, M. Grefone, G. Martin, W. Miller, B. Desko, M. Litostansky, T. Petrosky, J. Headley, Head coach M. O'Brien. Bottom row: R. Klein, R. Cochran, D. Lufkin, T. Whalen, J. Headley, K. Gordon, V. Hernderson.
